ALEXANDRIA, VA., MONDAY EVENING, FEBRUARY 26, 1900

PRICE 2 CTS.

To love and be loved, is every woman's right. To be beautiful is impossible for some women. To be bright-eyed, clear-skinned, red-lipped, vivacious, attractive is the privilege of all.

Dr. Pierce's Favorite Prescription is designed to cure all distinctly feminine ailments. It is prescribed for girls about to become women and takes from this dangerous period much of its discomfort. It is prescribed for women of all ages who are troubled with inflammation, irregularity, debilitating drains and other symptoms of derangement of the feminine organism. It is a general tonic for the whole system but when such a tonic is needed it is better to take the "Golden Medical Discovery" in connection with the "Favorite Prescription".

Dr. Pierce's Golden Medical Discovery is a medicine for men and children as well as women. It is a most wonderful blood purifier and flesh builder. It searches out and kills disease germs in the digestive system, blood and lungs and puts the whole body in a strong, healthy state.

Before purchasing medicine of any kind it is well to write to Dr. R. V. Pierce, at Buffalo, N. Y., stating your symptoms. He will diagnose your case and prescribe for you free of charge. It may be that you need both "Favorite Prescription" and "Golden Medical Discovery," or you may need only one. Please send your case requiring something entirely different. Whatever you need Dr. Pierce will tell you without a cent of cost to you.

It is with you whether you continue the prevailing tobacco habit, NO-TO-BAC removes the desire for tobacco. It cures nervous distress, expels the habit, restores the blood, and gives you a new life. It is the only cure for tobacco habit. It is the only cure for tobacco habit. It is the only cure for tobacco habit.

STATE APPROPRIATION BILLS.
The general appropriation bill, reported to the Senate on Saturday by the finance committee of that body, makes an increase in appropriations amounting to \$86,670.

O this increase \$81,000 is to the credit of public institutions, and \$5,670 is due to the restoration of the salaries of officials to what they were before being cut down by the General Assembly of 1897-'98, and to other increases. Under the head of public institutions is included the cost of maintaining insane in county jails and pensions to Confederate soldiers.

Where salaries are restored it has been to put them back practically to what they were before being reduced by the General Assembly of 1897-'98. The amount appropriated to pay pensions is increased from \$85,000 to \$100,000. The Soldiers' Home gets \$35,000.

The sum for the support of lunatics in jails is increased to \$20,000 from \$5,000. The State Central Hospital (colored) receives \$80,000 instead of \$75,000, and, in addition, \$25,000 for new buildings and other necessary improvements.

The Southwestern State Hospital receives \$55,000, instead of \$49,000, with the understanding that \$25,000 shall be used the first year for repairs and buildings, and \$5,000 the second year.

In addition to the \$15,000 voted to the State Female Normal School, the same as last year, it also receives a similar amount for the establishment of an infirmary, and the installation of baths, steam heating apparatus, and laundry.

The appropriation to the University of Virginia is increased to \$40,000 from \$35,000, with the provision that \$15,000 of this sum is to be used for the erection of an electric-light plant, and to extend the steam heating apparatus.

The appropriation to the Virginia school for the Deaf and Blind is increased to \$40,000 from \$35,000. William and Mary College receives the former amount of \$15,000, and \$10,000 in addition thereto for repairs.

The Medical College of Virginia gets \$4,000. The Richmond Eye and Ear Infirmary receives \$1,000, as last year. Support of lunatics in jails is increased from \$5,000 to \$20,000.

Central State Hospital from \$75,000 to \$80,000 and \$20,000 for new buildings. Southeastern Hospital from \$49,000 to \$55,000.

The increase in salaries are numerous. The salary of the clerk to the attorney general is increased from \$600 to \$900. Mr. Montague was allowed \$100 additional for contingent expenses.

First Auditor Marye's salary is increased from \$2,750 to \$3,000. He gets an additional \$1,000 for his clerks, \$11,000 in all.

Second Auditor Ryland's allowance is increased to \$3,280 from \$3,000. He gets \$50 more for contingent expenses. Treasurer Harman's salary is increased from \$1,500 to \$1,750. He is allowed \$5,000 for clerks, an increase of \$1,000.

Secretary Lawless receives \$3,200 with which to conduct his office. To make needed repairs and for his contingent fund he is to get \$1,000 instead of \$750.

Col. Richardson, of the land office, gets, \$1,200 with fees not exceeding \$1,500 in all, and \$300 for contingent expenses. His clerk and messenger is to receive \$1,000 instead of \$480. The allowance for six capital police is increased from \$4,320 to \$4,680. The Court of Appeals night watchman gets \$480 instead of \$370.

The salary of the clerk to Railroad Commissioner Hill is increased to \$1,800. The contingent expenses of this office are increased from \$500 to \$1,000.

Adj. Gen. Nalle's salary is increased from \$1,500 to \$2,400, to be paid out of the military fund.

QUESTION ANSWERED.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Bilelessness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by
